

## Tony Cannings - Castledown Radio's Newest Recruit!

Last Updated Thursday, 02 November 2006

Once again, Castledown Radio has bagged itself another dedicated volunteer!

Tony Cannings is the station's newest recruit and brings with him a wealth of knowledge from the music industry.

As the head of his very own record label, Tony knows all there is to know about alternative and popular music.

He is also a dab-hand at writing and says he is keen to be involved in all aspects of the station, from writing for our web page to writing scripts for radio shows. Listen out for his show - 'Autonomy Thru' Music' - Wednesday evenings from 8pm.

You can contact Tony by sending him an email at [studio@castledownradio.info](mailto:studio@castledownradio.info)
