

New Presenter Profile - Marc Denton

Last Updated Wednesday, 20 December 2006

Rap and hip-hop fans are in for a treat at the weekend on Castledown Radio. Marc Denton is the newest volunteer DJ to Castledown Radio and presents some of the 'phattest' beats and rhymes in 'Strictly Hip-Hop'.

From Public Enemy and The Sugarhill Gang to Dr. Dre and 2Pac, you'll hear only the best tunes of the old-school and the new. As the man himself says, ' Turn your bass-lines up and keep it locked down - 104.7 on your FM dial!'

Catch Marc's first show for Castledown Radio - Saturday 2nd December from 8pm.
