

## St Mary's Collingbourne Kingston dedication of the new facilities

Last Updated Monday, 11 August 2008

At the beginning of August 2008 work to install modern facilities in St Mary's church in Collingbourne Kingston was completed. The congregation celebrated this with a service of thanksgiving at which the Archdeacon of Wiltshire, John Wraw blessed the new editions.

After the service Rodney Haverson spoke to church warden, Charles Howard and asked him what had been involved in the new build.
