

Clarendon Junior School - Summer Fete 2009

Last Updated Thursday, 23 July 2009

After an exhilarating sports day just twenty-four hours earlier, pupils of Clarendon Junior School, their families and friends enjoyed an exciting summer fete. Attractions included a teacup fair-ride, "bat-the-rat", a rock performance by former pupils of the school as well as a raffle, barbeque and a plethora of other fun activities.

Castledown Radio went down to check out how the event was going and to speak to pupils, organisers, teachers and parents at the fete.
